Term 4

Welcome to another exciting term of learning through play and exploration. We extend a hearty RONEC welcome to Peter and Ronnie our new pet rabbits. They will be joined shortly by 12 ducklings that will hatch and stay with us for two weeks.

Bags

Please do not put food, lipsticks, balms or toys in children's bags on pegs. Sometimes other children with allergies open them and take, break or consume these items. Please give any items to teachers if necessary.

Arrive on Time

Please be respectful of the nursery community

Arriving late disturbs registration.

Arriving late can unsettle your child.

Arriving late creates a safeguarding issue at the front door and puts children at risk.

Clothing

Please put your child's name on all items of clothing etc to help us easily identify them and return them to the correct owner.
