

Animals

	Activity	What to do	Useful websites or apps	How to record learning.	Area of learning	Some extra Learning
Monday	Animal Hunt	We would like you to have a look around your home for some animals. They can be big or small they can be wild or found on a farm. The challenge is who can find the most?		Once you have found some we would like you to draw one and then get your grown up to place it somewhere safe, so that when you're ready to return to nursery you can bring it along to show your teachers.	Communication and Language, Understanding of the World, Maths, literacy, Physical development and Expressive Arts and Design.	Join Joe Wicks PE lesson on YouTube at 9am every weekday morning of tune in at a later time on https://www.youtube.com/playlist?list=PLyCLOpd4VxBvPHOpzoEk5onAEbq40g2-k
Tuesday	Animal Sounds	Can you play the game from the phonics play website. Where you have to listen and try to identify which animal makes what sound.	https://new.phonicsplay.co.uk/resources/phase/1/welcome-to-the-zoo You might need to log in Username: march20 Password: home		Communication and Language, Understanding of the World, Letters and sounds.	Spend some time watching video's of the animals doing what they do best. Have a chat about what you can see them doing and how different they all are. From the sleepy koalas to the dancing penguins. https://zoo.sandiegozoo.org/live-cams

<p>Wednesday</p>	<p>Make an Animal</p>	<p>Use what you can find around your house to create your very own animal. You could even challenge a family member to see who can make the best one.</p>	<p>www.Pinterest.co.uk then search 'Junk modelling animals'</p>	<p>Once you have made one get a grown up to, send a picture of you and your creation to the nursery email address (don't forget to ask them to put your name and class on the email). Info@ronaldopenshaw.newham.sch.uk</p>	<p>Communication and Language, Understanding of the World, Physical development, Expressive Arts and Design and Mathematics</p>	<p>lots of ideas for fun, creative, reading activities at home http://www.lovelymybooks.co.uk/</p>
<p>Thursday</p>	<p>Animal Den Building</p>	<p>Pretend that you're an animal and get creative in building you and the rest of your pack a den. Use what you can find around the house and don't forget to make it cosy ready for an afternoon nap or two.</p>	<p>Have a look at what Mr Tumble gets up to with his den building skills https://www.youtube.com/watch?v=Q-kIdsQBvc8</p>	<p>Once you have made one get a grown up to, send a picture of you and your creation to the nursery email address (don't forget to ask them to put your name and class on the email heading). Info@ronaldopenshaw.newham.sch.uk</p>	<p>Communication and Language, Mathematics and Understanding of the World.</p>	<p>Go on a hunt around the house looking for a range of different size boxes, containers and books. You can then use them to create your own farm or zoo enclosures. And if you want to get really creative you could even paint or colour them in.</p>
<p>Friday</p>	<p>Animal Signs</p>	<p>Take a look at you tube and have a go at learning some of the animal signs, I wonder which ones you will be able to master.</p>	<p>https://www.youtube.com/watch?v=7-LwksZOE44</p>		<p>Communication and Language, Understanding of the World, Physical development.</p>	<p>Take the time to listen to some great stories at https://stories.audible.com/discovery</p>
